Our panel of lawyers experienced in international transactions in their respective jurisdictions will explore issues that present legal risks and may result in unexpected consequences.

TOPICS:

- Challenges of structuring cross-border joint ventures.
- Use of preliminary transaction agreements and their (sometimes unintended) consequences.
- International sales agents/distributors: consequences of choice.
- How do you 'know your clients' if they are located overseas?
- How to handle conflicts of interest and unforeseen dilemmas in international representation?
- Conducting due diligence in cultures of relative secrecy.
- Impact of different notions of attorney - client privilege and professional secrecy.
