Doing Business in Asia

The Association of Women in International Trade (WIIT), the Washington, D.C. Chinese Legal Association (WCLA) and BakerHostetler are hosting a luncheon presentation and discussion on Tuesday, May 17, 2016 about doing business in Asia. Our speaker is Caroline Bérubé, the founder and managing partner of HJM Asia Law, with offices in China and Singapore. Ms. Bérubé was one of the first foreign lawyers to be admitted to practice in Singapore, and HJM Asia Law is one of the first female-owned, foreign law firms in China. In 2015, Ms. Bérubé was selected as a Young Global Leader by the World Economic Forum, which recognizes the world's most distinguished leaders under the age of 40. In addition to addressing commercial and intellectual property risks for foreign investors, Ms. Bérubé will share her personal story as a female pioneer in the Asian professional market.

Please RSVP by May 15.
